Machinery & Machine tool | Engineering & Technology

Building & Industrial Automation | Fire & Safety | Automobile & Auto Components

Foundry, Furnace, Metallurgy & Welding | Water, Environment & Chem Pharma

Power, Electrical, Electronics & instrumentation | Plastic, Printing & Packaging

Dear IIEC Participant,

We feel great pleasure to announce that the International Industrial Expo and Conferences (IIEC) are being organised in collaboration with the International Trade Promotion Council (ITPC) at Ludhiana, Punjab, India (29th in series) from 20-23 Aug, 2010 and Manesar, Gurgaon, Haryana (30th in series) from 08-11 Sep, 2010. As in previous editions of Industrial Expo and Conferences organised by Paramount Exhibitors, IIEC would incorporate a Conference and an Expo where participants would discuss issues and showcase technologies and products pertaining to nine industrial themes.

IIEC will provide a platform to discuss pertinent issues vis-à-vis current scenario, exchange ideas, learn lessons from each other, and promote actionable strategies to meet the challenges. IIEC would focus on the development of industrial machinery and machine tools, services, promotion of appropriate technologies and fostering partnerships with a view to realizing the relevant goals. Innovative, integrated approaches along with the best practices and strategic partnership of the stakeholders would be deliberated in the conferences to be held concurrently with the exhibition in order to scale up industrial scenario. We invite speakers who have the appropriate expertise and experience to deliver quality papers.

We would like to extend an invitation to your company to Sponsor / Exhibit / Advertise / Address at these International Industrial Expo and Conferences, India.

We take this opportunity to seek your cooperation and support to make the International Industrial Expo and Conferences, a huge success.

Yours Sincerely

Dr. Harish Arora
CEO, Paramount Exhibitors

In association with
International Trade Promotion Council

EVENT PUBLICITY

To offer our exhibitors & sponsors maximum leverage and encourage a large attendance at the event, we have planned an aggressive multi-media campaign, which includes:

- Advertisement in leading national dailies
- Journals
- Website Promotion
- Direct Mail Promotion to over 1.50 lacs industrialists
- Telemarketing (Personal Invitation) to over 1.2 lacs industrialists in India.
- Hoarding in Metropolitans and important Indian cities
- Banners in entire North India and important cities of India
- Advertisements through Local cable network of Indian cities

IIEC'2010 BENEFITS

- Showcasing the latest developments in Industrial sector
- Platform for interaction among manufacturers, service providers and service users
- Finest congregation of industrialists/professionals under one roof
- Launching of new products, technology & services
- Opportunity to create a new avenue to products distribution
- Conferences on the latest and burning topics of industrial sector to be addressed by experts from India and abroad.

WHY INDIA ?

Machinery and Machine Tools

- India ranks 19th in production & 16th in consumption of machine tools in the world.
- India is one of the largest exporters of machinery pertaining to light & heavy engineering equipments

Engineering & Technology

- The engineering sector accounted for 14% of the country's total exports.
- According to Engineering Exports Promotion Council, exports could touch US\$ 35 billion by 2010-11.

Foundry, Furnace, Metallurgy & Welding

- India is the 11th largest steel producing country in the world
- There are about 10,000 foundries in India with an annual capacity of about 4 million tonnes.
- The Indian forging industry with a size of around Rs.20,000 million growing annually at around 10%.

Plastic, Printing & Packaging

- The Indian Plastics machinery sector has achieved a sales turnover of more than US\$ 200 million
- Indian exports of books, printed pamphlets & periodicals, job printing and printed materials is estimated to the tune of USD 550 million by this year ending.

Automobile and Auto Components

- The size of Indian automotive industry is estimated between US\$ 120.09 - US\$ 155.12 billion by 2016.
- India is the 2nd largest two-wheeler market & 4th largest commercial vehicle market in the world.
- 11th largest passenger car market, 5th largest bus & truck market in the world (by volume).

Power, Electrical, Electronics & Instrumentation

- The Indian Electronics market is growing at 25% CAGR and is expected to reach US\$ 158 billion by 2015.
- The Indian Electronics industry is ranked 26th in the world in sales, 29th in production.
- India represents huge potential for foreign investments in the power sector as the country will account for 11.9% of Asia/Pacific regional power generation by 2011.

Fire & Safety

- The Indian market for Security and Safety (SS) equipment was around \$356 million in 2006 and is expected to grow about 8-10% per year over the next five years.

Water, Environment & Chem-Pharma

- Imports in the water equipments constitute approximately \$110 million of the \$690 million market for municipal and industrial water treatment equipment.
- 13% of the total export in India is contributed by Chemicals export. Chemical Industry is showing 10% - 12% growth per annum.
- The Pharmaceutical machinery market generates nearly US \$ 500 million turnover and 40% of which comes from exports to countries around the globe.

Building & Industrial Automation

- The Indian automation industry is growing at an annual rate of 20%- 25%.
- The current size of the Indian automation industry is US \$ 8.14 billion. The size of this industry is expected to grow at a rate of 13% per annum to reach around US\$ 120-159 billion by 2016.

EXHIBITORS PROFILE

The exhibitors profile given below under respective heads have been cited for giving an overview of what could be showcased although all relevant products of Industrial sectors are welcome to be showcased:

Machinery & Machine Tool

CNC machines
CNC machine tools
Regrinders of thread rolling dies, Steam turbines, gas compressors
Heat exchangers and tube cutting and beveling machines.
Metal cutting machines
Industrial Robots
Tooling & quality assurance
Metal forming machines
Drills, Chuck jaws, vices, centers, Spindle tooling, engineering tools, hand tools, model engineering tools & More...

Engineering & Technology

Pumps and valves
Bearing and bushings
Gears and gearing
Industrial hand tools
Hardware and tools
Castor and wheels
Grinding wheels & abrasive belt,
Electric motors,
Oil filtration & treatment equipment,
Dryers, heat treatment, supplies,
Programmable Logic Controls,
Hoisting equipment
Welding equipment
Electroplating and foundry equipment,
Hydraulics pneumatic equipments
Material handling/processing equipment,
Abrasives & finishing equipment & More...

Fire & Safety

Fire alarm systems
Fire protection equipments
Fire extinguishing chemicals
Sprinkler system
Fire cistern
Fire extinguishing robot
Evacuation systems
Automatic emergency reporting equipment
Fire prevention equipment
Cable fire spread prevention material
Fire-resistant/
Heat-resistant electric wire.
& More...

Water, Environment & Chem-pharma

Water treatment systems
Softeners, Deionizers, Reverse Osmosis, ultraviolet systems, ozone generators, dosing pumps and controllers, filtration systems etc.
Water pollution control devices:
Effluent Treatment Plants, oil skimmers, clarifier, evaporators, diffused aeration systems, sludge handling systems, Industrial: electroplating, water treatment, effluent treatment, & More...

Power Electrical, Electronics & Instrumentation

Industrial electrical equipments,
Wires, cables and accessories,
Equipment & machinery for generation, transmission, distribution, protection and utilization of generators, alternators, transformers, switch gears and control gear equipment
, capacitors, instrument transformers
Lighting equipment, luminaries, fixtures, decorative, industrial & street lighting. Batteries, UPS systems & voltage stabilizers Electronic counters & timers
Equipment for process control, instrumentation, monitoring and recording.
Measuring, calibration, testing, analytical, laboratory instruments & services Instruments & meters, control & testing equipment & technology
Temperature Controller, Digital Timers
Counters, Event Counters, Sensors, pH Instruments, Load Instruments, Digital RPM Indicator & More...

Building & Industrial Automation

Plant/Factory Automation, Robotics & Automation, Process Automation, Drive Automation, Building Automation, Wireless & Networking Technology, Construction Automation & More

Plastic Printing & Packaging

Plastic processing machinery and equipment, Injection
Manufacture of plastic raw material, fibers, gases and Chemicals, Plastic dryers, mould temperature controllers, chillers & mould dehumidification system, Molds, Dies, Raw Materials & Auxiliaries
Plastic welding machines Printing and labeling equipment
Digital Printing Equipments Gravure, Silk Screen Printing & Scanning, Color Management, Measuring and Testing Equipments, Packaging Print, Process Systems & Processing Equipments, Printing materials, Packaging machines, equipment & Packaging materials Packaging, bar coding & printing equipment, Solid, liquid food packaging machines & equipments, Bottling plants, fillers, rinsers, saturators, Counting, weighing & More...

Automobile & Auto Components

Vehicle Manufacturer
Automobile trailers and hitches
Automobile engines and its components
Automotive Components Automotive electrical parts Automotive Equipments
Automotive Body Parts
LPG & CNG kits
Garage, workshop and work station equipment
IT for automobile industry / CAD/CAM solutions
Auto electronic
Oil & Lubricants

Foundry, Furnace, Metallurgy & Welding

Foundry Products, Foundry Machinery & Equipment, Foundry Chemicals
Foundry Services, Industrial Furnaces
Furnace Equipments, Furnace Services & Technology, Furnace Chemicals
Metallurgical Technology & Products
Welding Equipments & More

Sponsorship Opportunities

Organiser's seek proposal on the sponsorship form for the following available sponsorship opportunities of the individual event. Sponsor Exhibition / Conference / Gala Dinner / Official Freight & Forwarder/Official Airlines/Cyber Cafe/Wi Fi Zone/Official Telecom/Cellular Services Provider/Official Couriers/Sponsor Food Court/Official Travel Agency /Official Fire Safety Services Provider/Visitors Invitation Cards/Exhibitors Directory/Mementos/Banners/Visitor Bags/Entry Gates/Exhibitor & Visitors Badges/Exhibitor Kits/ Compressed Air/Aqua Post.

Conference Program / Company Presentation

International Trade Promotion Council (ITPC) invites delegates to submit scientific abstract / complete papers for conferences to be concurrently held with the Expo.

Eminent speakers with new technology or gem of information are invited to address these conferences.

Presentation should be state of the art description, problem analysis, experience & summary reports from real projects, practices, solutions & models.

Lecture rooms with modern audio-visual aids would be available at the venue for Company Presentation by the desiring exhibiting companies.

Vendor Development Program:

Cordial invitation is extended to the desiring companies to conduct Vendor Development Program at the venue. Organisers on behalf of company conducting Vendor Development Program would be inviting all industrial companies supplying the basics / raw materials to the company. In addition, the exhibiting companies & technical visitors present would also participate in the said program

Exhibition Participation Cost (Per Sq Mtr)

Shell Scheme	6000 INR / 150 US \$
Raw Space	5500 INR / 140 US \$

□ + Service Tax (as applicable)

□ Payments in INR to be made through Bank Draft / Pay Order only, in favour of **Paramount Exhibitors** payable at **Chandigarh**, India .

RULES & REGULATIONS

Possession of Stall: Exhibitors can start moving in their materials and setting up stalls one day before exhibition at 4.00 pm. Please note that the possession of the stall will not be given till all the dues are cleared by the exhibitor. The exhibitors should get the stall possession certificate from the organisers after clearing all dues before taking possession of stall

Vacation of Stalls:

Exhibitors are allowed to remove their exhibits only after official closure of the exhibition on LAST DAY of the exhibition. Goods can be taken out of the venue only after submitting exit pass in duplicate duly signed by organisers. The work of removing the exhibits from the venue must be completed same day. After this period the organisers will be at the liberty to remove the exhibits at the cost and risk of Exhibitors.

Change of Venue and Dates:

- (1) The organizers reserve the right to change the venue, dates and/or duration of the exhibition. In such an event, the obligation of the exhibitor to participate shall remain in force, so long as he is informed about the changes by the organizers as early as possible, either by individual communication or press advertisements.
- (2) The organizers also reserve the right to change the floor plans and/or location of space allotted or stall no to an exhibitor or exit/entry points, passages, etc anytime before the commencement of erection of the stalls, if in the opinion of the organizer, such changes are necessary.
- (3) Any such changes shall not be sufficient ground for exhibitors to cancel their participation and in case of withdrawal from participation, no refund will be permissible.

Cancellation: The organizers reserve the right at all times to change the dates of the exhibition or cancel for reasons beyond their control.

General:

- (1) Exhibitors are not allowed to use space/passage other than allotted to them. Similarly, exhibitors will not be allowed product demonstrations which will cause objectionable odors or play stereo equipment disturbing other stall holders. The organizers will decide as to what constitutes a nuisance and their decision will be binding on the exhibitors.
- (2) The organizers will do their best to ensure supply by contractors, but shall in no circumstances the organisers will be responsible, if such services cease to exist.
- (3) Participants will keep and maintain fire-fighting equipments within their stall as per safety regulations. Making arrangements for fire extinguishers is the responsibility of the individual participants
- (4) Organisers are not responsible for any Octroi exemption & formalities if the same is not sanctioned by the local authority even after the serious efforts are made.
- (5) Exhibitors are not allowed to put the banners outside their allocated stall.
- (6) Space allocated can not be subletted or shared.
- (7) The stall allotted is meant for display and demonstration of products. No actual sales can be made from the stalls.
- (8) Any verbal agreement concerning any particular clause/ rule of this contract or the Exhibition are not valid unless confirmed in writing.
- (9) Exhibitors requiring extra electrical load, compressed air, extra furniture, logistic help etc. have to intimate organisers along with space booking form.
- (10) Exhibitors or their agents shall not deface any part of the exhibit building, the booths, or booth contents or equipment and décor. Under those circumstances, the exhibitor is liable to the owner of the property so damaged.
- (11) All demonstrations or other activities must be confined to the limits of the exhibitor's booth space. Distribution of circulars may be made only within the space assigned To the exhibitor
- (12) Organisers have no smoking policy inside the exhibition area. Exhibitors are therefore requested not to smoke inside the exhibition venue.
- (13) Front of the stall should have appropriate exit (minimum 0.75 m) for the exhibitors/visitors in case of emergency.
- (14) All exhibitors are responsible for the cleaning of stall furnishings, exhibits and the general tidiness of the stall.
- (15) Exhibitors are liable to pay Service Tax as per the prevailing rates.
- (16) Packaging and other materials (LPG cylinder) presenting a fire risk must not be stored in the stands, or on the Expo floor.
- (17) The height of stands is limited to 2.4 mtrs and passage is 3 mtrs wide, so the material brought in the exhibition should not exceed the stand height.
- (18) Exhibitors are reminded that their insurance for goods and exhibits should take effect from the day that the goods are brought to the exhibition venue and should remain in force until their exhibits are removed. Exhibitors are required to take out adequate insurance cover against the kinds of risks they will incur in connection with the Exhibition, especially public liability, all risks on property, employer's liability and personal accident to staff. In addition, exhibitors may also wish to take out insurance for losses and wasted expenditure in the event of the exhibition being abandoned or curtailed.
- (19) Please do not send any stand material and/or literature in the name of organisers or in the name of any member of the organising committee at the venue.
- (20) The height of fabrication on the raw space should not exceed 10 ft. including roof of the stall.
- (21) The organizers will make general security arrangements. However, participants will be responsible for the security of the exhibits and the stall.
- (22) Exhibitors are not allowed to use hazardous chemicals dangerous to building, persons etc.
- (23) The exhibitors bringing heavy machinery should bring plates/concrete slabs to place the machinery in the stall. The same should be informed to the organisers prior to commencement of the exhibition.
- (24) The organisers will ensure the availability of Movers and Packers at the venue however, the exhibitors will have to bear the costs of loading and unloading.
- (25) Any Verbal agreement concerning any particular rule of this contract is not valid unless is confirmed in writing
- (26) The very fact that a Exhibitor/ Speaker participate in the event, it is presumed that he /she, his/ her company has read the rules and regulations formulated by the Organisers and confirmed to abide by them.
- (27) Disputes, if any, shall be subjected to jurisdiction of the courts in Chandigarh only.
